

In his efforts to gather compliance information, Keith has earned a reputation as the office mule.

There's a new way.
Fortent® INFORM

STEP 1: Gather

Looking for an easier way to stay on top of the ever-increasing volume of regulatory information? Fortent® Inform provides real-time coverage, while consolidating and filtering: reports, guidance, enforcement actions, information on “legs and regs” and other sources of compliance data.

GATHER **FILTER** DISTRIBUTE TRACK

After 10 years, Gary's method of distributing compliance information left the side of his face a little bit flat.

There's a new way.
Fortent® INFORM

STEP 3: Distribute

Automated distribution and workflow with Fortent® Inform ensures your colleagues receive only the information relevant to their area of focus. That means they'll be up to speed on the latest changes, working from a common base of knowledge and doing their jobs more efficiently.
